

Key Points about Government Connect

- **Government for Government**

- Enabler and facilitator of collaboration in Local Government
- Broker between Local and Central

- **Services vs. Products**

- Pre – built. Configured to address requirements, leading to reduced effort, risk and increasing accuracy

- **Re-useable Components (Why Re-invent?)**

- Built from the ground up which reduces risk and provides commonality

- **Strategic**

- A cornerstone of Transformation Agenda accelerating Local Government's Service Enhancements
